

# Providence Health Centers & St. Vincent Hospital

## BMET Cooperative Education/Internship Requirements

**Q3: Do you require an interview prior to placing BMET students into internships?**

Yes

**Q4: What proof of immunizations do you require?**

Required: An attestation of proper immunization history. (You don't have to send in original health records but you do need to have them on-file in case we ask for validation.)

Hep B, written documentation of completion of Hep B series or declination statement or lab evidence of positive antibody titer.

MMR – written documentation of 2 doses of MMR or lab evidence of positive titer

Varicella - written documentation of 2 doses of varicella or lab evidence of positive titer or immune by disease

TB – Quantiferon Gold TB test or TB skin testing

Influenza – Proof of vaccine or declination statement

Tdap – Proof of vaccine

**Q5: What other requirements do you have for BMET interns?**

Drug Screen Required. Provided by PCC.

Criminal Background Check (Full FBI) Required. Provided by PCC. (Background Check – Includes SS check, OIG check, GSA/EPLS check, Criminal History, Sex Offender Registry)

Flu Shots may be required.

HIPAA Training Required. Provided by PCC.
