

1 Start at the PCC Libraries website. You can get there from myPCC, from the PCC website, and by going to www.pcc.edu/library.

2 Choose **Article databases by title** to get to the CQ Researcher database.

3 Choose the letter **"C"** to locate CQ Researcher.

Article databases by title

Look in these databases for magazine and journal articles on your topic. Most databases have library.

4 Click on the title of the database, **CQ Researcher**.

CQ Researcher ←

CQ Researcher provides topical, full text reports on controversial issues. Each report features a summary

5 When you are ready to start enter a **keyword**, browse by **date**, browse by **topic**, or read a **recent report** from the list.

6 OR select advanced search to see more search options.

Advanced Search

To search for a complete phrase, place it in quotes. Use search operators to narrow the search: and, or, not, *, w/#. [Search Tips](#)

Enter words or phrases:

Search: Keyword/all text Report titles only Topics only

Date range:

Anytime Month Day Year and
Month Day Year

7 Search results can be sorted by relevancy (score), title, report section, and date.
