Sylvania CRC Policies

1. All currently registered PCC students are required to complete the CRC Orientation each term before using the lab.

2. Be respectful and courteous of your neighbors’ workspace and environment. You can help us to reduce waste and save trees, by using the “Print Preview” function before you send your work to be printed.

3. If you have questions or problems with a computer or printer contact a CRC lab assistant. “DO NOT” attempt to resolve them yourself.

4. Please turn off cell phones and pagers or switch them to silent mode.

5. If you leave your computer unattended for more than fifteen minutes, your belongings may be collected and turned over to the PCC Public Safety Department (ext.4902).

6. There is absolutely “NO”:
   a. Installation of Hardware into the network
   b. Installation of Software on the local machine
   c. Downloading of software from the Internet
   d. Video games or audio recording

   Please be aware that students are permitted to use this facility, no guests or children are permitted in the lab.

   Any violation of the Acceptable Use Policy (AUP) or student code of conduct as spelled out in the student handbook may result in the loss of CRC usage privileges.
• Sylvania Computer Resource Centre (CRC) Path to Maple 9

• Classic Maple – default for *.mws files
