Walk This Way.

1. For each of the curves below:
   i) Use the CBL unit to help you determine your motion needed to match the curves.
   ii) On each curve, clearly label the intervals for which you were:
       • moving towards the CBL unit.
       • moving away from the CBL unit.
       • increasing your speed.
       • decreasing your speed.
       • holding your speed constant.

The Curves:

a)

b)

c)

d)
