HALTON POWER SCHOLARSHIP AGREEMENT

Halton Power Scholarships are funded by The Halton Company, the Caterpillar Dealer in northwest Oregon and southwest Washington. The main store is located at 4421 N.E. Columbia Blvd., Portland, Oregon, with branch stores in Longview, Washington and The Dalles, Oregon.

Eligibility Requirements

The applicant must be a Senior in high school, a recent high school graduate or have received his or her GED. The applicant must have a grade point average of at least 2.5 for the year immediately prior to application, or for his or her last completed year of school.

Size and Duration of Scholarships

Scholarships of \$750 per year will be awarded to help defray the cost tuition in the Diesel Technology programs at Clark or Portland Community Colleges.

Scholarships are awarded on a per-term basis for one school year. The student must attend school full time. The student's academic record is reviewed at the completion of each term to determine whether or not the student is maintaining a minimum grade point average of 2.5 and is making progress toward his or her Associate Degree. If the student's academic record is satisfactory, the scholarship will be renewed for the following term.

First term scholarship amount will be \$200

Second term scholarship amount will be \$250

Third term scholarship amount will be \$300

Student's Responsibility

In order to comply with IRS regulations, the Company requires receipts verifying the recipient's use of scholarship funds. In addition, each scholar must report the courses taken and grades received by providing the Company with an Official Transcript at the end of each term.

I have read the description of the Halton Power Scholarship, and I understand and agree to abide by the conditions described therein.
