Dear Mr. DeBoss,

Recently, I read your advertisement in the Oregonian for CNC Machinist. I am a graduate from Portland Community College with an AAS in Machine Manufacturing Technology. The training and skills I have acquired, coupled with my related work experience, enable me to meet the qualifications of this position.

I have been interested in ACME Manufacturing for some time and am excited to hear about this opening. The skills I have developed in CNC machine set-up, programming and operation would make me a valuable contribution to your company. I have training and experience with a variety of machines ranging from mills and lathes to grinders and saws. I am also a motivated and flexible worker.

Enclosed is my resume. I look forward to the opportunity to discuss my qualifications with you. I can be reached at 503-665-9876. Thank you for considering my application.

Cordially,

Camille Courikova
