

# **The American Mathematical Association of Two Year Colleges**

and

## **The Portland Community College Mathematics Department**

is pleased to offer the

### **Student Mathematics League Competition Exam**

**-- ROUND TWO TESTING --**

**Wednesday, February 26, 2014 from 4:00 P.M – 5:00 P.M.**

| Exam Room Locations |            |                  |          |
|---------------------|------------|------------------|----------|
| Cascade             | Rock Creek | Southeast Center | Sylvania |
| TH 122              | 7 / 107    | Tabor 124        | SCB 203  |

- All questions are multiple choice.
- You are allowed one hour for the exam.
- Any calculator without a QWERTY keyboard is allowed (no TI 92, Voyage 200, or Casio Classpad).
- The level of testing is at the Pre-Calculus level. You are encouraged to take the exam if you have completed or are currently enrolled in College Algebra or higher math course.
- Sitting for Round One Exam last October is not required to take Round Two.

This is a national exam involving over four thousand community college math students in more than twenty states and offering up to \$3000 in scholarships and other prizes for the top scores. Additionally, PCC will offer its own prizes to those with top final scores. Contact your math instructor or one of the following campus representatives listed below to register for the exam.
